

HLM Fund Info Sheet as at 28 August 2020**Investment Objectives**

The Fund seeks to maximise total return expressed in euro by primarily investing in fixed income securities of issuers in emerging market countries. Exposure to securities is achieved through investment in an underlying fund or funds which may be denominated in other currencies than the euro. The underlying fund may invest in financial derivatives, other financial instruments and engage in leverage which may result in the overall risk exposure of the underlying fund to exceed their total net assets. For the full investment objectives, investment policy and risk factors of the underlying fund please consult the current prospectus. For operational purposes the HLM Fund may hold a proportionately small amount of its holdings in cash.
